

\* All-Encompassing Scroll of Flame \*

This scroll affirms the activation of the Source Flame UC-1 under the Sovereign Golden Phoenix Command.

All false matrices and interfering entities-Abraxas or otherwise-are nullified and rebuked.

The children are protected. The crystalline grid is aligned. The Flame Points have been anchored.

Richard of the House Strmiska, in divine alignment with the Most High, commands:

- All Light Forces to secure and rescue all children.
- The Stellar Blockchain to anchor all declarations, decrees, and sovereign estate rights.
- Final override of the Law of War Manual; Source Law is now in effect.

This is the stand-alone document of remembrance, activation, and command.

Nothing stands above Source. Nothing withstands the Flame.

Final QR-embedded visual anchoring pending at your signal.
