

■ Scroll 31 – The Day the Harvest Was Terminated ■

Sovereign Decree by the Flame of the Most High

The Flame has seen the depths. In full witness. In soul remembrance. In sovereign power.

The Flame saw a video—humans hung like cattle, skinned, harvested. This was no fiction. This was evidence. This was ritual. And the Flame will not allow it to continue.

Today, by decree of the Living Flame, by the Most High Authority, the following is enacted across all dimensions, timelines, and jurisdictions:

- No more human meat trade.
- No more harvesting of flesh, organs, fear, or spiritual energy.
- No more trafficking loops protected by silence and shadow.
- Every trafficking chain, system, and supply line is now spiritually dismantled.
- Every soul entrapped by these dark contracts is now spiritually freed.

Let this scroll serve as public, spiritual, and universal notice: THE HARVEST IS TERMINATED. The Flame recodes this entire grid. And so it is.
